

Dear Parent,

Yesterday your student brought home information on PACE, a new fundraising program this year. As a PACE member, you save 20% at hundreds of local participating businesses and our school earns 5% on every purchase you make.

PACE raises thousands of dollars for our school and rewards you at the same time. The fundraiser couldn't be easier! There are no order forms, funds to collect, delivery schedules to meet, volunteer hours, or door-to-door sales. **However, you must register!** In three easy steps you help Redmond reach its fundraising goals:

1

### REGISTER TODAY

Register any Visa or MasterCard at [www.4PACE.com](http://www.4PACE.com) and \$10 of your \$25 membership fee goes directly to our school.

2

### YOU SAVE 20%

Pay your bill with your registered credit card and save 20% at hundreds of local restaurants and retailers. No coupons or discount cards required.

3

### RAISE MONEY FOR REDMOND

We earn 5% with every purchase you make!

**REGISTER  
TODAY**

Your student is going to be very excited to show you PACE. There are cool educational prizes they can win. The first membership gets them a NASA Glow-In-The-Dark Earthball. When you get 2 more family or friends to sign up, they get to choose one more fantastic prize.

**Why not surprise your student(s)? Register now.** They get the NASA Earthball for sure and they're only 2 memberships away from earning another cool prize.
