Reflections Update

Just a friendly reminder about the Reflections Program!

- **Due Date is WEDNESDAY, NOVEMBER 14th.**
- Each piece **MUST** reflect the theme “**I can make a difference by**”. **Please make sure your art work has a title.**
- Read the rules packet carefully and prepare your entry.
- There is a large box in the office to return your finished pieces in any category. Be sure that the fully completed entry form is lightly taped on the back of your creation.
- Misplaced the **ENTRY FORM**? Get one at the office. If you are entering several categories, you need one form per project.

If you have not started yet, it is not too late! Pick up a packet in the office today and start creating.

If you need have any questions or need help getting supplies, please contact Laura English at 818-5355 or laura@lauraenglish.net.

Thank you!!
