

Imagine that

- By the end of this school year, your first grader knows the name and location of 40 countries.
- By 4th grade, this same child could know the name and location of ALL the countries in the world
- By 5th grade, in addition to all above, your child could know the name and location of all the U.S. States.
- By 6th grade, your child could also know Canada's provinces, which countries are part of the E.U. and who knows what else!

This and more is possible thanks to The Passport Club, supported by the Redmond Elementary teachers and staff, and sponsored by Redmond EI PTSA.

In order for this program to deliver the best possible results, it requires the full support of both school teachers and parents. Here's our chance to share the joy of learning with your children! Let's do our part!

The Passport Club is currently looking for help with the following tasks:

Can be done from Home:

- Cutting stamps for children's passports (4 hours total, spaced over 3+ months. At home)
- Data entry (excel or by hand) of students' monthly levels (6-7 hours, 2 times per year, January and/or early May. At home)

Requires a One-time or Occasional commitment:

- Passport Check Day. Work with students and stamp their passports. From 9:00-10:50 am on a Friday. At school. Please check all dates you would like to help:
 SEP 25 OCT 30 NOV 20 DEC 18 JAN 29 FEB 26 MAR 26 APR 30 MAY 28
- Be a cultural ambassador! Talk to your child's classmates about your heritage or your home country, or make a display or a slideshow about your country.

Requires ongoing help throughout the year:

- Help setting up signs and maintaining Passport Club displays at school. It takes about 1 hour per month
- Passport Re-checks. Help teachers re-check students that missed Check Day. Volunteers commit to help 1 hour per month, 6 times per year, at a date/time mutually convenient for you and your teacher.
