Message from the Principal

The blustery rains have arrived, and we are all trying to stay dry at school. We had our first rainy day recess this past week, and students spent their recess in their classrooms involved in a variety of activities. We will continue to ask students to take off their hats and hoods (that may be much needed outside) when they are in the building.

There is also an increase in car traffic with these seasonal changes, and the adult and student safety patrols must make extra efforts to keep our pedestrians safe.

Thank you in advance for honoring the procedures for our students by also removing hats when you are in the building, and for using the designated crossings in the parking lot and on the streets.

PTSA "Pass the Hat" says Thank You!

The Redmond Elementary PTSA is deeply grateful to all parents and caregivers that have so generously contributed to our fundraiser.

Our goal this year is \$7,000; we are now at \$6,206. If you want to donate to "Pass The Hat", you may still do so. **There are numerous companies that will match your tax deductible donations, so please check with your employer about matching funds.** PTSA is a registered 501(c)(3) non-profit organization, so both your donation and your full membership fee, if you decided to join, are tax deductible. "Pass the Hat" envelopes are located outside the front office. The PTSA appreciates any amount your family contributes.

PTSA - 209 Members and Growing...

Our PTSA Membership goal for this school year is 250 members, and we are now at 209! If you would like to get involved it's not too late to turn in your PTSA Membership envelope. If you've misplaced your envelope, please pick up another one in the office or e-mail membership@redmondelptsa.org.

Thank you Vision and Hearing Screening Volunteers!

The PTSA would like to thank our volunteers for spending your valuable time on Wednesday helping with the vision and hearing screening. Your time was greatly appreciated. Volunteers make a huge difference at our school! Many hands make light work!
